You will have an opportunity to connect with a great group of individuals striving to win the war on debt, eliminate poverty and aim their personal way towards success. We ask that you consider joining us upon receipt of this message. There is a small membership fee of \$120 for the entire year. This feature provides maximum security against the general public in the process of secrecy as people of wealth. In other words, you will not become a financial target. You may also submit your membership fee for the entire year at the bottom of the main website "Donate" button. Go to www.harvesttimegroup.org . Once deposit is made and opening benefits are received, no refund is authorized. You build new relationships and learn new strategies to combat any economic downfall that may approach us in the future. What a wonderful opportunity to know you have an organization that has you covered.

Annual renewal fees are due at the beginning of our fiscal year date, November 30th. The fee covers for the next year.

Once you pay the dues, we provide you with the password for private website access. Warning: All members voted to agree for strict privacy, therefore, if any violation occurs you will be subject to immediate dismissal and financial litigation with our Corporate Attorney. Non-Members are not authorized to access, period!

You experience a crisis, we got you covered through our "Beacon of Hope" ministry. Need prayer, we got you there as well. Need a servicing referral, we have it. Someone you can trust and depend upon.

We ask that you strongly consider The Harvest Time Group!

CryptoCurrency Community Members

These are individuals who merely joined one of our Income earning ventures on the internet, such as TBC, Bitcoin, Ethereum, CryptoBuilder, or any other venture in building tangible wealth, but do not have access to Membership benefits because they have not decided to connect with our Membership community and pay the annual dues. Access to confidential information is restricted due to non-membership.
